We're looking for your **creative genius** to invent our newest flavors, to be featured at all of our ice cream scoop shops!

Create your favorite flavor and we will select three flavor ideas from Abernethy Elementary to make in our kitchens and feature at our Division Scoop Shop. A portion of the sales of that flavor will be donated back to your school! Fill out this form and turn it in by **Wednesday**, **March 1 to the Main Office** to see your creation made into ice cream magic!
